You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discover," which is a medicine of Exews composition, having a complete list of ingredients in plain English on its bottle wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liverand bowels.

W. W. Garth, of Columbia Mo., sold his fine farm, known as the Jake Atchinson place of 165 acres to Will and Claud Lee, the dairyman of this place. This is a fine farm and picely ocated just South east of the City mits. These boys know the value of Audrain County Soil and are securing

It is said that in two years the Missonri river has destroyed 600,000 acres of farm land. A statistician has figured that the average Missouri farm contains 120 acres and that the loss of 500,000 acres mean that one of every 50 Missouri farms are tumbled into the Missouri for want of adequate protection. The average price of this land is \$100 per acre.

Mayor E D. Grabam and wife when they make their trip to Havana, Cuba, will sail from New York, City, visiting Dr. May and wife at Porto Rico.

# GRANDPARENTS TELL ABOUT PE-RU-NA. NO. 20 GOES

A Texas man has just left slooped to guestion of who will be the next governor of Missouri editorially says; for gov. Folk is not interested as to who his successor shall be, only as a cititate, but any man, that has a beak bone for a wishbone, is anitous for the success of the principles that concern the welfare of the people at large. If our law is supreme as it must be, for it is the expression of a majority of the people at large. If our law is supreme as it must be, for the people at large out of business. It is in this sense that Gov. Folk is anxious about his successor; the policies of his administration to be carried out because his convictions would be much safer than out of the people of this state are also anxious about this matter and if we have not misraed public sentiment.
